ABOUT THE SHOW

The USA-UK European Championships have now become a regular feature in the show calendar for Saddlebreds, Morgans, Spanish, Lusitanos and Paso Finos. Due to a limited number of shows and classes aimed specifically for the Saddlebred in the showing calendar, by necessity the “British” Saddlebred is generally a very versatile creature – his owner competing in as many classes as are available and switching divisions to do so. By raising the number of events held during the course of the year, owners can (if they wish) now concentrate on one discipline with their horse. Of course we all know the Saddlebred is a master of versatility, and so there is absolutely no reason why he (or she) can’t compete in more than one discipline.
