

UNITED SADDLEBRED ASSOCIATION-UK

JUDGES LIST 2019

www.american-saddlebred.co.uk

E: info@american-saddlebred.co.uk

The United Saddlebred Association-UK has two sets of judges – those that are qualified to judge American Saddlebreds and also a list of Breed specific and Foreign Breed judges, which shows may wish to use if affiliating to USA-UK and running Foreign Breed classes under USA-UK Show Rules.

For purist and breed specific classes, show organisers are recommended to contact the various breed societies directly for a list of their current judges.

Judges wishing to become American Saddlebred Panel Judges are invited to contact USA-UK for further details – a probationary period / judges conference may be required.

Judges wishing to be added to our list of Foreign Breed judges are invited to send their CVs to USA-UK. Panel judges already on other Foreign breed specific lists (e.g. GB-PRE, FHA-GBI etc.) will be favourably considered.

The majority of our judges are multi-panel judges and so are qualified to judge other breeds & classes (e.g. VHS, BSPA, BApS, BMHS, TGCA etc.) – we understand this is important for shows and events wanting to make full use of their booked judges knowledge.
